

Swap & Shop

North Okanagan Radio Amateur Club

Vernon, BC, Canada

March 9, 2010

Please forward your ad to Todd VE7MTS at noracsswapshop@gmail.com. Also if you sold/found your stuff please let me know. Items posted on swap and shop are taken down after two months, unless other arrangements have been made. Thanks.

For Sale: Kenwood TS-820, I'm the second owner of this radio, and have used it very little. It is too big for my shack it has to go. Comes with MC-50 desk mic, and SP-30 speaker, 4-6146, 2-12BY7, also have manual. \$325. Prefer pick-up in Vernon and area, too heavy to ship.

Contact Arnold . . ve7idk@shaw.ca (2/26/10)

Kenwood TS-50S HF radio like new condition, never used outdoors or mobile. No marks or scratches. Non-smoking home. It includes hand mike, dc power cable, mounting bracket, box and manual. \$500 OBO.

Contact Vern VE7WWV at ve7wwv@rac.ca (2/26/10)

Wanted: Looking for junk box parts from old radio equipment, or old tube type radios for parts. I am happy to pay a fair price. (free is very nice too). I am trying to gather up enough parts to build a replica of the WWII Spy Radio called the Paraset.

Contact Rod ve7pr@rac.ca or 250-374-5701 (01/30/10)

Wanted: Building WWII Paraset Spy Radio, Need old capacitor, resistor, wire, dial and knobs. If you have any old junk that may be suitable give me an email.

Contact Arnold . . . ve7idk@shaw.ca . . .or in Vernon area call 250-503-1805 (01/24/10)

Wanted: Yaesu FT-1500M 2 M transceiver with microphone, or a parts radio.
Contact Bernie VE7DOU at whitewolf888@live.com Grand Forks. (01/24/10)
